has successfully attended the
Day 3 – Curriculum Reimagined of the
Educast International Online Conference 2026
held on 8 February 2026

Day 3 focused on rethinking curriculum design for a rapidly changing world. Sessions explored competency-based and interdisciplinary learning models, future-ready curriculum frameworks, multilingual and multicultural perspectives, sustainability and global citizenship education, and curriculum mapping for digital fluency. Participants examined innovative curriculum models from around the world and engaged in critical reflection on how educational systems can evolve to meet emerging global demands.
